Stewardship  
Every Part of the Body Is Important

"Brothers and sisters: As a body is one though it has many parts, and all the parts of the body, though many, are one body, so also Christ."

These are the words of Saint Paul in his first letter to the Corinthians. This follows from last week's passage. Last week Paul pointed out the use of each person's gifts must contribute to the well-being of the entire community. If one used his or her gift in a way that was aimed only at one's own advantage it was immoral. Moreover, one may not hoard a gift.

It is evident in the Corinthian community there was tension between people. There were the "haves and have nots". People viewed what gifts each had as a status symbol. People thought themselves better or worse than others. There were attempts to exclude people from one's own group. This was happening among people who were supposed to be followers of Jesus Christ. Paul makes it clear these divisions cause harm to the community.

Once again Paul uses the metaphor of the human body. Each part contributes to the well working of the others. He is simply making the point the hand cannot do the work of the foot. Nor can the head do what the leg does. But, put together they all make life possible. The internal and external parts must work together. Reread the passage. Paul fits everything in. He is saying everything is tied together.

Reading the Gospel passage Luke is saying he has studied all that Jesus said and did while on earth. He, Luke, was now going to tie all things together. He says to his friend Theophilus (lover of God), "after investigating everything accurately anew, to write it down in an orderly sequence for you...so that you may realize the certainty of the teachings you have received."

The teaching Jesus gave was short and to the point. He told the people he came to preach and to do. What he would preach and do would let the poor know the good news, captives will be rescued, the blind will see, and the oppressed will be freed. Jesus is bringing all of God's power into play. He is using all that the Father has given him to ensure everyone had what was needed to not only exist but to excel. This is just what Paul is saying all followers of Jesus Christ must do.

The reason we are taking the time now to promote Stewardship in our parish is precisely what St. Paul and Jesus are teaching. We must work together to make sure all things work together in harmony. We need to make sure each part, that is each one of us, is able to contribute what he and she has. Each person here, young and old, rich or poor has to work together to make our community of faith function that the good news gets around.

You, yes you who are reading this column now, are important. You have time, talent and treasure that is good. God made you precious as you are. Believe in yourself. Invest yourself in this community of faith. Let us make this parish work even more than it already has, to bring the Good News as Jesus speaks of it to many more people.

Thanks so much for all that you do in God's name!

### **Tithes**

A tithe is one tenth of one's wealth, or income. We each are to strive to make a weekly, monthly, or yearly donation to the parish that makes us thrive. By thrive I mean to not only pay the current bills. We need to donate or tithe enough that we can plan to do more than we are able to do right now. For example, we need in JUSTICE to pay our paid staff much better than we do. I am not being timid in saying this.

There are two ways that we do this.

First, increase your tithe to 6% of your income, not even a tenth. Just be sure you are at least at that point. The second is to increase the number of people celebrating with us each week. Yes, by introducing other people to the joy of celebrating the Lord and being lifted up in Faith we will actually raise our income in a most natural way.

To be able to move in a positive direction we should be collecting the overall amount of \$12,000 per week. Such would permit us to get beyond using our Trust Fund to run the operations of the parish and get to building up the revenue needed to excel in the manner just described. As well we might even be able to add back to the Trust. If in this year we got to even \$10,000 per week we would do well. We can move up by more next year.

### SPIRITUAL LIFE

**Scripture Sharing**  
*Lectio divina*

**Scripture Sharing is on again!! Come Thursday evenings at 7:00pm to 8:00pm. Through prayerful consideration of the Sunday scripture readings we enlighten ourselves to the teaching of the Church, and how to navigate current events of our time. PLUS, WE ENJOY EACH OTHER'S COMPANY.**

**Next week we will concentrate on the Archbishop's Charities and Development Drive. "ABCD"**

**ARCHBISHOP'S CHARITIES AND DEVELOPMENT DRIVE  
(ABCD)  
Beyond Our Own Parish**

We naturally have to support our parish. But we are a larger community than the boundaries of our local area.

**Sometimes we do not see all we Roman Catholics do.** That is OK. When I was a child, I was taught, "You put up and shut up!" That meant we do what is right and good and do not expect special recognition. People are in need, and we simply serve the Lord through them.

**The ABCD addresses needs and projects for the care and service of others that no one parish can do alone.** Surely, most parishes do many service projects in their own areas as

we do. But, there are things to be done in the three counties of our Archdiocese that needs the combined work of all parishes.

**You will note there are many projects and service institutions the ABCD supports.** There is the preparation of the clergy, parishes and missions that are in poor neighborhoods that cannot support themselves, and all kinds of social service agencies. As Church we render service to people out of many locations and agencies of our Church in South Florida.

**Then there is what is done here at home in our parish that the ABCD has funded.**

**Over the years I have been pastor of Blessed Sacrament Parish I have appealed to the ABCD funds.** Yes, there have been members of this parish that needed specialized assistance that we and our St. Vincent de Paul Society could not handle on our own. At times one of our Agencies funded by the ABCD provided the help. At other times I wrote a grant that directly aided the family!

**Therefore, besides our 6% tithe (donation) to the parish we tithe (donate) 2% to the ABCD.** We go beyond our own needs and desires to help others.

**Soon you will receive information and pledge documents in the mail.** Or, you will receive documents we will give out next weekend. We each will make our pledge to the ABCD and pitch in to help beyond our parish.

**Thank you on behalf of all the brothers and sisters we will aid.** Fr. Bob Tywoniak

**NOTE: be sure to indicate on the document that you are making your pledge through "Blessed Sacrament Parish" so that we get Credit for it towards our GOAL.**

**Our Goal This Year:  
\$62,000!**
